SEVEN INNING GAME

In Which Rutland Scored 12, and Plattsburg 2-Burlington Comes to Intercity Park This Afternoon.

Plattsburg, N. Y., August 15.—Platts-burg yesterday afternoon gave the most digusting exhibition of base ball ever seen at Clinton Park. Every man on the team with the exception of Cooper, Trickey and Skelly played as though filled with dope and it was only from the fact that the visitors as a matter of pity did not make more runs that Our captain's Duff, and he's the stuff, the exhibition was not more of a farce. The less said about such playing as was seen here yesterday, the better for the sport in the future.

BARACAS OUTCLASSED.

Woodmen Defeated Them by a Score of 24 to 7 in a Loose Game.

men defeated the Baraca class base ball team from Barre on the local grounds yesterday afternoon in a loose and uninteresting game by a score of 24 to 7, after a five-inning exhibition of poor base ball. The visitors played a listless game and gave poor support to Barclay, who did the twirling. Barclay was quite liberal with free passes to first, which the locals were quick to take advantage of, and with the assistance of some good bitting, made the infield look like a merry-go-round.

Jacobs was in the box for the locals and kept the hits well scattered, also striking out eight men. The visitors got four of their scores in the fourth inning, when with two out Ayers was caught between first and second, and while McIver and Carroll were closing in on him, Murray, who was coaching Wright on third, dashed for home, thereby drawing Carroll's throw to the plate. The umpire overlooked the fact that Wright was out at third for coacher's interference and the game dragged on. Ross easily carried off the batting honors, making four hits out of five times up, including a two-bagger.

HEAD SOLID SORE HOBART WON

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease eczema," says Mrs. Wm. Ryer, Elk River, Minn., "which caused my babe untold suffering and myself many sleepless nights. My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.

"To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning.

CURE PERMANENT

"Your letter of the 19th inst. re-ceived, asking in regard to the cure of my baby some six years ago. Well, the disease has never returned to her head which at that time was a solid sore on top and down the back."

His feet were small and well-shaped and he was in every respect perfectly sound and without a blemish. He is said to have been a very fast walker, and in trotting to have had a low, smooth gait, with a short and nervous step.
